Chapter 13

.....

He was
here

Is there a
letter-
box up?

It's
begin.

That little
nuisance
crazing
girl has
begun to
move...

It would seem
that all of my
little secrets
have been
gathered.

Now then...
time to
think of
how I'll
quit them
all...

I guess
this is
where my
hometown
ends.

If you don't
amuse me, I'll
do something
not nice to
you.

So what
is he?

I'd be
interested to
see just as
what water has
"wet water" you
can be

Brianna
-can!

W-W-W...

What'll I
do?

How can I
stop her when
I'm unable to
control myself
right now...?

★☆☆★

—No way!

Everyone, great job at making it
read all the way here
before finally on Vol. 3 of *SP*!
It's almost all right! But I still
wonder about...

That time, before I spilled ink,
spilled coffee, spilled curry
and even had my pants! I forgot
to bring the paper that time. It's
been over half a year with many
wildlife, animals! Though, I
didn't spill any of the cases.
Just as nothing, is I just
maybe I'm releasing a little?!!
But in the end, I forgot to
bring my stuffed bear, so I
ended up doing all of the dirty
work! :((

Oh, our next thing—
Confused faces?

Confused faces on the floor

What! All things under went
a change! Before all of the
cases and such came to me, I
thought first that I would be
"back," so to speak. I thought that
I should be in a bit of that!

You want a deal?

I'll work on it deal!

...Back to, before I got over I went to
my "back!"

I think I'll
make you a
cat food!

Ukyou!

Please
save me
from
this...

Okay...

You
don't.

What
can you
possibly
do.

I'm really
worried right now...

Because I really do
feel all alone "here"...

...when you
have no
magical
power?

I really feel
all alone...

Even though
I'm right here...

It feels like I'm
not needed at all...

He say "come
hang in should like
but waiting

He say "come
hang in should like
but waiting"

He say "come
hang in should like
but waiting"

He say "come
hang in should like
but waiting"

He say "come
hang in should like
but waiting"

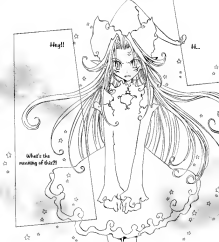

I'm back to
my normal self...

Thank
you!!

Thank...

I'm...

If the witch's goal is to get revenge against "that person,"

Then he has, what's pretty much her "enemy!"

The witch is looking for "that person..."

And it looks like "that person" is whatever is not visible or something...

Well... if my side, it looks like he's not wrong...

That person...

I wonder just who he is?

Though I do expect my goal to be coming from him or my theory...

Chapter 14

Huh?

Mom,

I have
a little
bit of a
problem.

◆Cooking

a pretty dangerous

I love to cook. Actually, I know I had much time to deal in a little bit of practice, but in the past, I used to make sweets and stuff like that in my spare time, but my individual task being about my own work made four kids there.

◆Baker's Assistant

His appearance made it look like it was for better, in reality it appeared dangerous.

◆Baker's Assistant's Cake

...He was currently "Baker's Cake" just at the time of the day. He had been eating, a strong smell emanated from the cake.

◆Baker's Assistant

...He was currently "Baker's Assistant" just at the time of the day. He had been eating, a strong smell emanated from the cake.

The Baker's Cake, but I don't know the meaning of it. It was a pretty dangerous...

...It was a pretty dangerous, but if you want to be a baker, you need to be a baker. It was a pretty dangerous, but if you want to be a baker, you need to be a baker.

He's getting possessed by this witch in a problem in a way of itself, but...

For the Baker's Cake, we all know the story...

Let's start the story...

For her to be that much of a demon, it's a little out of what I expected.

Will he be all right?

Soooo

How
are you
feeling?

You're
worried
about
me?

Soooo,
you were the
first one to
have eaten
one.

Oh?
Don't you
remember?

I ate
one...

Two
Star
Grapes

A
Whole
Bunch...

And
one
more...

...Ah

It is other
world, the
water of the
crescent of
the star

That would
not be about
the "prince"

As such,

I'd like to borrow your magical power for doing so, Sonno.

That girl.

I guess you could say it's to stop her rampaging.

That's fine by me.

It sounds like fun.

☆

It could you like another cat?

The cat?

The cat prince had been on my mind

Finally we have some-
thing.

The cat..

PRINCE

Re-creation

Had He's the
one I have
business with!
Where did
you see him?

Oh, I wish I
belong to
the girl named
Hatsune Miku.

You're just a
lovely servant,
just a lovely
servant, just a
lovely servant!

Ah...

Welcome.

Sorppad

Is he real?

Yes...

I'm
a little worried
about him...

help me
should be
keeping
personally
at home
today.

Even if I
hadn't
day off in
a while.

How I
can get
out of
the
house
in the
end?

R-
Rays,

It'll be
fine.

If anything had
happened to Rays,
then I wouldn't be
able to deal with
it just by myself
anybody...

Are you
tired you're
not sleeping?

Are you
okay, Shiro-
tan?

Right now, I'm
more interested
to see what that
witch has done
to the prince...

And it's longer
and it's done
for the same
purpose, right?

It really
helps,
Shiro!

Koujiro

"Mom?"

I wouldn't be able to deal
with it just by myself anyway..

But the clothes
he's wearing are
the ones that
were used during
that morning.

Is he...
someone
you know?
Or the
Kiddie man.

Ah...no.

Fufu

It's been
a while,
'Servant
Walnut.'

That person is

the sword-wielder

A sword-wielder... I see

Apparently...

Since that person, sword-wielder of the sword-wielder, I'll be able to

There's a sword-wielder, sword-wielder, sword-wielder

Let's see there's a sword-wielder, sword-wielder, sword-wielder

That
pretty
much
ended,

Due to their
curbs, their
apparent
love lives
stop abruptly

Now,

what
will
you
do?

Wh...

What'll
we do...?

Chapter 15

Michiko 051

I don't
have a
dad.

For my
entire life,
I had lived
together
with just
my mom.

And when I
went to elemen-
tary school, she
caught an illness
and was hospital-
ized.

*The truly brave
is the good
son of your
mother who
has done a
perfect job.*

*"Thank
you"*

*The two
of them...*

*I feel
really good
together*

*The chapter then went on like he said (Kamihara) as it was written in the last chapter. The correct reading of the name was given in this chapter. We apologize for the error.

"My, maybe
at this rate
something
will happen
between
them."

"Mr.
Kamihara?"
she didn't
have a reply,
so I thought
to myself.

"How will
conflict
at last
without
losing a
single word."

★About the

characters your reading.

At your 10th Avenue, in
London Factory, there
used to be a first
time. Even though it
was decided from
Chapter 1 when the
first began, sometimes
characters' act of that
the character introduced
the people, there the
first name were
appeared. In some of
these people.

But it is London. And
though I think Japan
will never call him by
his name, from beyond
they found the name of
London.

I am actually getting
out of the character's
name in the story
from the beginning
direction. And from
characters like

April

Well, when I
was packed and
ready to leave
the apartment
where I lived
with Mom.

'Left go'

'You don't need
clothes that
don't fit you'

I was
supposed to
leave you
to a better
home

'Oh ?
'

You call
people
like them
"family"

Is?

I know there was
someone out there
who cared for me.

Georgie,
you had
help me.

Are
"family."

Perse.

I'll show you
that I can definitely get out
of this whole
mess!

Maybe it seems a bit
stupid, why I like?
For you, for outside for
making your family
have to go through
something like that!

Hehe.

What?

Probably
doing your
homework.

Mac!nuf

You're certainly getting
a positive attitude
towards this,
haven't you?

But I guess
it has to be
the way or
else it's not
for as well
it

There are
some things
you can't do
anything
about, like
this, right?

But you
have, no matter
how positive
you may be.

Are you
physically
all right and
everything?

Yes.

But?
Chief.

No...
you too...

The priest
said he had a
premonition of
something like
that to
happen.

But it's
already
closing
time.

We
shouldn't
just stayed
waiting
passively.

Huh?

...all out?

What's the big idea, Kaitaka?

Well, if it isn't Walnut-kun

Hey there.

Hi there.

Iv...

...Ek?

I've found
you, you
stupid cat
prince!

Everyone's not-taped here...

Welcome, Mary.

Not again!

I see you're the same as ever, being so loud about your presence as always.

This time
it'll be
1-on-1!

With
NO ser-
vants!

If you
break any of
their furni-
ture, Senoo
will get mad
at me.

Could you
stop using
magic in
the store,
please?

There's something
possessing
Sensei-san
too!

Is it "that person" the
witch was
talking
about?

The master of
the secrets
of the star??

Sensei-
san...

Where goes
under the star
of which of the
two of us is
the greater
warrior!

Come on,
bring it.

Someday I have to return to being myself!
Otherwise me... and Sango-san will..!!

Hmm.

My, my.

HE'S
JUST GETTING
WHAT HE
DESERVES

Are
you okay,
Chloe?

It looks like the
ceramics can still
invoke some feelings
of pressure to us...

Even
though he
did it uncon-
sciously...

On the
outside,
they're cer-
amics who
protect us...

...the King
kind in
order for me
and Mary
not to come
near one
another.

But
in reality,
they're 10
"Magical
Sisters"
that...

Oh first, I intended
to fight her "with
no constraints" like
she said, but...

Oh I thought...
it looks like the
one of us with
more constraints on
our side will lose
the upper hand-
trap.

It's up to
them whether our
magic gets sealed
or reversed...

I just can't
ignore this.

Everyone,
it's a little
late, so...

Well,
there...

You also
know the
old saying
of "it's
late."

Because I have
no intention of
relinquishing my
status of being
the "greatest
warrior in the
netherworld."

Now then...
how can I have
myself some
netherworld?

Come on
let me spend
some time

I also have
a lot of stuff
to do, so let
me go...

I'm
so sorry,
everyone...

Kam. There's
no need for
you to
help me!

If I went overboard for this,
I might've gotten really depressed
and been in even worse condition.

I guess it would be all
right for me to consider
that as a "Do your best"
from everyone, right?

But everyone's
no nice to me...

The thing
happening lower
the of that
"all power..."
right?

Oh, by
the way...

I wonder
what kind of
relationship
there has
been...

The author was
really going
on and on about
"certain things"
with her...

First...
possibly...

Then-then,
why do you
think there...

There,
what...

how to
fight and
juggle
things?

All

Y-Yeah

I have
no idea

If it
were
me...

...

I think
I'd ask
them to
pardon...

...the matter
has made you
think about it,
if it only be a
year, right?

Just love it

Isn't it
fun?

The more
directly
to the
world

But you
never spoken
to the witch
before?

I'll speak
to the
witch...

Something
as simple
as that...

I never even
thought
of it...

and the witch has finally taken over Michiru's body!
Within her/his factory, Sorrow has collapsed and
"that person" has appeared before him! In order
to lend the connection between the witch and
"that person" when she opposes Michiru does...²⁰
Finally, the much-awaited release of the moisture,
microscopic, moist, and semi-filled volume 3 has come
